10pm - 1am: **Kizomba Room (Restaurant)**

9pm - 2am: **Jazzeteria Room (Richmond Room)**

## Guideline to Levels

### **Improver**

Done time as a beginner & learnt basic steps, turns, timing and now starting to put things together into turn patterns.

### **Improver / Intermediate**

Competent with basic turn patterns, you will be looking to complicate them a little and adding to your repertoire sound technique (movement, leader/follower, and styling)

### **Intermediate / Advanced**

By now learning the turn patterns should be reasonably easy. You should be looking at the styling, technique, movement and how to make it work on freestyle.
